Why Farmers' Markets and Farm Stands?

- Farmers' markets are fun-filled events that the whole family can enjoy while getting outside and meeting your neighbors!
- When you buy direct from local farmers, your dollars stay within your community and strengthen the local economy. More than 90¢ of every dollar you spend goes to the farmer, thus preserving farming as a livelihood and farmland.
- Enjoy access to fresh, local produce! Fruits and vegetables taste the best when they're fresh and what could be fresher than buying directly from your local farmers?
